Subject: median islands
To: Council District 11 <cd11@lacity.org>

Team,

see attached.

It looks like the Board of PW is seeking bids for firms to handle the landscape maintenance of median islands across the City.

CD11 is included in #1;
Items 2, 3 and 4 on the agenda contain the rest of the Council districts.

I have reached out to the team at BOSS and the Board President for more details on this and as soon as I get any, I will share with everyone.
